Take This Poll

When buying a new car, what role does its country of origin play in your decision making? (Jun. 11, 2007)

- A decisive role.
- An important role, but not a decisive one.
- I consider it, but it's not an important factor.
- It's a minor factor for me.
- It has no role at all.
- Can't choose/don't know.
